MD JUBAIR HASAN KHALID

Mobile: (+88) 01521413018 (WhatsApp)
E-mail: 19jubair@gmail.com
LinkedIn: Md Jubair Hasan Khalid

Profile Summary:

EEE graduate with experience in **semiconductor research, graduate teaching assistantship, and data analysis**. Published IEEE-indexed research on **3-nm GAAFETs** and skilled in **Excel and Power BI**.

Academic Qualification:

- B.Sc. in **Electrical and Electronic Engineering** from the University of Liberal Arts Bangladesh (ULAB) in 2022, CGPA-3.60/4.00.
  Thesis: - Study on 3nm cylindrical GAAFET with variations in high-k dielectric gate oxide materials, oxide thickness and channel radius for the application of static random access memory
- HSC from Cantonment College Jashore in 2016, Result- 4.83/5.00
- SSC from Daud Public School Jashore in 2014, Result- 5.00/5.00

Publication:

- K.M. Ashraful Hoque Fahim, **Md. Jubair Hasan Khalid**, Md. Zesun Ahmed Mia, Mirza Rasheduzzaman, "**Study of 3-nm Cylindrical GAAFETs with variations in High-k Dielectric Gate-oxide Materials**," in 2022 IEEE SYMPOSIUM ON INDUSTRIAL ELECTRONICS & APPLICATIONS(ISIEA), Virtual Conference, Malaysia, July 2022

Work Experience:

Organization Name: MACES BD | Study Abroad Consultancy **Duration:** 11/2025 – Present
Designation: Application Associate
Major Contributions:

- Process and track international student applications across the UK, USA, Canada, Japan, Malaysia, and Australia.
- Manage admission documentation, including **Offer Letters, CAS, I-20, LOA, and COE**.
- Coordinate with university admission teams and maintain accurate application records using **CRM systems and Google Sheets.**
- Conduct data analysis, reporting, and dashboard development using **Microsoft Excel and Power BI** to monitor application and conversion performance.
- Support document verification, interview preparation, and offer-holder follow-ups.
-

Organization Name: Catalyst Solutions (Sister Concern of Adiva Graphics) **Duration:** 07/2023 – 12/2023
Designation: Data Artist (Associate)
Major Contributions:

- Work extensively with/on Microsoft PowerPoint and Excel to create data-heavy charts
- Ensure the final data output (tabs in SPSS, Excel) is accurate to ensure the main objectives of the study/projects are met
- Analyze data and place it into various charts

Organization Name: University of Liberal Arts Bangladesh **Duration:** 01/2022 – 01/2023
Designation: Teaching Assistant 01/2025 – 10/2025
Major Contributions:

- Assisted the Head of the Department and administered various documents.
- Conducted Electrical Circuit Lab, Electronic Circuit 1 Lab, Power Electronics Lab, and Electrical Service Design Lab (AutoCAD)
- Assisted faculty members in preparing course materials and maintaining course-related documents.
- Handled documentation for the department and provided student counseling.

RESEARCH SKILLS:

- Proficient at using the equipment (DC voltage supply, function generator, oscilloscope, PFI machine etc) used in Electronic
- Clear idea about breadboard and circuit design
- Skilled in soldering (Soldered a lot of circuits while working on projects during undergrad)
- Qualitative analysis of the experimental data using MATLAB, SPSS and Excel
- Moderate knowledge on MATLAB simulink and coding
- Good at using origin to plot various plots (learnt during thesis)

Training and Skills:

- **British Council** UK agent and counsellor training (2025)
- **Grameenphone Explorer 2.0** (Graduate) by Grameenphone Ltd (2021)
- JobReady 2.2, organized by **Wadhwani Foundation** (2021)
- "**Skill for Career**" organized by ULAB Career Services Office (2021)
- Advanced data analysis using industry-accepted and widely popular statistical package. (Under **BdREN** 2020)
- Microsoft Excel: Advanced (Pivot tables, data visualization)
- SQL, Power BI, SPSS, Origin
- Presentation Tools: PowerPoint, CANVA

Co-Curricular Activities:

Organization Name: IEEE ULAB Robotics and Automation Society

Designation: Treasurer **Duration:** 11/2021 – 01/2023

Major Contributions:

- Managed financial aspects of the society.
- Prepared program proposals and budgets for organizing events.
- Procured sponsorships to secure essential funding.

Organization Name: ULAB Electronics and Robotics Club

Designation: Assistant Public Relations Secretary **Duration:** 02/2021 – 10/2021

Major Contributions:

- Developed and executed PR strategies to enhance the club's visibility and reputation.
- Managed social media platforms, creating engaging content to increase audience engagement.
- Coordinated and organized successful club events, overseeing logistics and participant satisfaction.

Extra Curricular:

- Attended numerous seminars or webinars and workshops within and outside of the university. (Recently attended a seminar on "Cloud Computing an Equal Opportunity Employer – Anyone, Anywhere, Anytime" presented by Akhtar Hossain, Microsoft Corporation Inc. Houston, Texas, USA held at ULAB)
- Participated in several volunteer works while being a general member and further an executive committee member of ULAB Electronics and Robotics Club (UERC), IEEE ULAB Student Branch, and IEEE RAS. (Particularly hosted a webinar arranged by UERC and the Department of EEE ULAB)
- Actively engaged in the management of several events as such Sports, Fests, and Tours during the undergraduate level.
- Participated in various sports competitions such as Cricket, Table Tennis, Chess, and Football. (Recently played the intra-university Table Tennis Competition)
- Actively engaged in various outdoor activities. (Used to go outside of Dhaka city every weekend with a group of cyclists to explore something new)

Language:

Full proficiency in English. IELTS 6.5
